Short Description

FootActive Plantar Fasciitis- Full-length, extra-cushioned orthotic insoles for the effective relief and foot support for Plantar Fasciitis.

FootActive Plantar Fasciitis insoles support the arch of the foot and are designed to reduce the excess strain on the Plantar Fascia ligament, thereby treating the cause of the problem and providing Plantar Fasciitis relief. Our combination of Plantar Fasciitis arch support and cushioning heel pads help to alleviate and prevent any associated heel pain.

Description

- DESIGNED SPECIFICALLY TO PROVIDE PLANTAR FASCIITIS RELIEF - Developed by our team of dedicated Podiatrists, these top-rated Plantar Fasciitis Insoles are the perfect way to receive effective Plantar Fasciitis relief.

- HELPS RELIEVE OTHER COMMON FOOT PROBLEMS – It is not just Plantar Fasciitis Pain these insoles can relieve. Use these high-specification FootActive Orthotic Plantar Fasciitis Insoles to help relieve Achilles Tendonitis and general pain in the ball of the foot (Metartarsalgia).

- ADVANCED, ERGONOMIC PLANTAR FASCIITIS SUPPORT DESIGN - Featuring a soft and comfortable micro-fibre top layer, biomechanical support for

the longitudinal arch, as well as the transverse arch, and premium poron pads located in the heel and forefoot for additional cushioning.

- QUALITY FULL-LENGTH PLANTAR FASCIITIS INSOLES - Suitable for use with all types of lace-up shoes, including trainers, joggers, formal shoes, and even heavy-duty work boots. Just simply trim the insoles to size (if necessary) using a pair of scissors and enjoy maximum foot support for relief from Plantar Fasciitis.

- THE PLANTAR FASCIITIS ARCH SUPPORT CHOICE OF PROFESSIONALS - Our Plantar Fasciitis insoles are CE-marked and supplied by several NHS Primary Care Trusts (PCTs) for use by their own healthcare professionals. Please beware of any cheap imitations which are NOT CE-marked or recommended by medical practitioners. Also go for the best insoles for Plantar Fasciitis, which you will find here at FootActive.
