Price: £6.99

Short Description

One-A-Day Cod Liver Oil Capsules, providing Omega 3 fatty acids EPA and DHH and enriched with Vitamins A and D.

Description

- Cod Liver Oil - synonymous with health
- Supports normal brain and immune function
- High in Omega 3 and Vitamins A & D
- Contributes to normal heart function and normal blood pressure

Almost synonymous with health and nutrition, Cod Liver Oil differs from other fish oils because it is a nutrient rich source of Vitamin A and Vitamin D - each of our capsules contains 100% NRV of both Vitamin A and Vitamin D.

Cod Liver Oil is an excellent source of the Omega 3 fatty acids EPA (eicosapentaenoic acid) & DHA (docosahexaenoic acid) which contribute to the maintenance of normal blood pressure, normal brain function and normal vision as well as Vitamins A & D which supports the maintenance of normal skin, function of the immune system as well as playing a role in the maintenance of normal bones and muscle function. Each Linden Cod Liver Oil 1000mg Capsule contains 1000mg Cod Liver Oil, yielding 254mg Omega 3 fatty acids, of which 170mg are EPA and DHA.

Vitamin A contributes to normal:

- iron metabolism
- maintenance of normal mucous membranes
- maintenance of normal skin, normal vision and
- immune system function
- It also has a role in the process of cell specialisation

Vitamin D contributes to normal:

- absorption/utilisation of calcium & phosphorus
- blood calcium levels
- maintenance of normal bones, muscles & teeth
- role in a process cell division
- immune system function

With Lindens®, you can expect:
