Short Description

Celery Seed (apium graveolens) is a popular food supplement derived from the seeds of the common ingredient celery. Each Celery Seed 200mg Capsule contains 200mg ground whole celery seed, for a broad-spectrum product.

Description

- Cultivated and used since antiquity
- Popular food supplement
- 200mg whole apium graveolens seed
- Rapid release, easy swallow capsule

Cultivated since antiquity and with a history of traditional use, Celery Seed (apium graveolens) has become popular in modern times not only as a culinary ingredient but as a food supplement. Each Lindens Celery Seed 200mg Capsule contains 200mg whole powdered celery seed, making this a high quality, broad spectrum product neatly encapsulated in an easy swallow capsule.

With Lindens®, you can expect:
