### Short Description

Popularly included in cosmetic and digestive products, Aloe Vera (aloe barbadensis) has been cultivated and used since Ancient Egyptian times. Each Lindens Aloe Vera 6000mg Tablet contains a concentrated extract of aloe vera equivalent to 6000mg Aloe Vera leaf juice.

### Description

- Traditionally used for thousands of years
- Concentrated extract of aloe
- Equivalent to 6000mg aloe vera leaf juice

Aloe Vera (aloe barbadensis) is a herb that has been traditionally used and cultivated for thousands of years, since Ancient Egyptian times. It is grown in most subtropical and tropical locations including South Africa, Latin America and the Caribbean. Nowadays, aloe vera is commonly included in ointments and cosmetics to support soothing effects. Each Lindens Aloe Vera 6000mg Tablet contains a concentrated extract equivalent to 6000mg of aloe vera leaf juice.

With Lindens®, you can expect:
