

## Green Tea

**Brand:** Lindens  
**Product Code:** L43  
**Availability:** 10  
**Weight:** 0.10kg

**Price: £8.99**

### Short Description

Green tea is a popular food supplement, and has been cultivated in China since ancient times. Each Lindens Green Tea 9000mg capsule contains a potent, concentrated extract of green tea equivalent to 9000mg whole dried green tea leaves, standardised to provide 203mg EGCG (epigallocatechin gallate)

### Description

- Super Strength Green Tea Capsules
- High Polyphenol Yield (427mg)
- High EGCG Yield (203mg)
- Suitable for those looking for a particularly potent EGCG yield

Green Tea leaves have long been cultivated by the Chinese, primarily for their use as an antioxidant-rich, healthy drink, full of the polyphenol catechin.

The principal antioxidant found in Green Tea is the polyphenol EGCG (epigallocatechin gallate), a type of antioxidant found in the greatest abundance in tea leaves and are also found in smaller amounts in foods such as chocolate, red wine, berries and apples.

With Lindens®, you can expect:

- ? An established UK manufacturer based in Yorkshire
- ? ISO 9001 Certified for Quality Management Systems
- ? Dedication to excellence, innovation and satisfaction
- ? Resealable, light-proof, foil-fresh pouch packaging

? The Lindens® label: your guarantee of authenticity

This is a food supplement which is not a substitute for a balanced diet and healthy lifestyle. We recommend that pregnant and breastfeeding women seek medical advice before using food supplements. Store in a cool, dry place, out of reach of children. Unsuitable for children. Follow usage guidelines. Do not exceed stated dose. Lindens® is a registered trademark of Lindens Health + Nutrition Ltd.
