Price: £9.99

Short Description

Pressed from the seeds of the Evening Primrose Plant, Evening Primrose Oil is a rich source of linoleic acid (LA) and gamma-linolenic acid (GLA), important Omega 6 fatty acids in the body.

Description

- High Strength Natural Evening Primrose Oil
- Contains Linoleic Acid and Gamma Linolenic Acid
- Popular with women

Popular ornamental plants, Evening Primrose is a genus of flower found in gardens throughout the world. They are so named for their resemblance to Primrose flowers, and their tendency to open in the evenings.

Evening Primrose Oil is a botanical product particularly popular with women of a certain age. It is pressed from the seeds of the evening primrose plant and is rich in the Omega 6 fatty acids linoleic acid (LA) and gamma-linolenic acid (GLA).
