

Sage

Brand: Lindens

Product Code: 5060332532797

Availability: 10

Weight: 0.10kg

Price: £6.99

Short Description

Traditionally known as a culinary herb, Sage has been rapidly attracting interest as a food supplement. Lindens Sage Leaf 500mg Tablets contain a concentrated extract of sage leaf equivalent to 500mg of the dried herb, standardised to provide 2mg rosmarinic acid.

Description

- Popular with women going through the menopause
- Concentrated sage leaf (*salvia officinalis*) extract
- Standardised to provide 2mg rosmarinic acid
- Convenient easy-swallow tablet form

With historic use as in the west dating back to Ancient Greece, in addition to being a common culinary herb, Sage has found modern use as a food supplement popular with women going through the menopause.

Lindens Sage Leaf 500mg Tablets each contain a concentrated extract of sage (*salvia officinalis*) equivalent to 500mg of sage leaf, and standardised to provide 2mg of rosmarinic acid in a convenient easy-swallow tablet.

With Lindens®, you can expect:

- ? An established UK manufacturer based in Yorkshire
- ? ISO 9001 Certified for Quality Management Systems
- ? Dedication to excellence, innovation and satisfaction

- ? Resealable, light-proof, foil-fresh pouch packaging
- ? The Lindens® label: your guarantee of authenticity

This is a food supplement which is not a substitute for a balanced diet and healthy lifestyle. We recommend that pregnant and breastfeeding women seek medical advice before using food supplements. Store in a cool, dry place, out of reach of children. Unsuitable for children. Follow usage guidelines. Do not exceed stated dose. Lindens® is a registered trademark of Lindens Health + Nutrition Ltd.
